You can set up your wedding / honeymoon registry for free at

List anything you want to do on your honeymoon...even portions of your trip. It works just like a gift registry, only your guests give you gifts to help make your honeymoon perfect. Would you rather have the honeymoon you have always dreamed of instead of more "stuff" for your house?

On average, our couples receive \$2,500 in gift money to spend on their honeymoon!

It's free to sign up!

We give you announcements & shower games.

We provide photos and descriptions for all gifts.

You get a free Wedding Website to post photos and details.
