GET THIS BEJEWELLED

When traveling light, your wedding ring doesn't have to be the only jewelry you have in your accessory artillery. From vows on the beach to dinner at a ritzy resort, keep your look fresh with Tejani's **TRAVEL KIT**, created by New York designer Urvi Prunier. Each kit is made of embossed pleather (available in black or mango) and includes five of Tejani's top-selling pieces: tropical chandelier earrings, an engraved flower cuff (available in silver or gold), a dramatic black-and-white pendant necklace, double-hoop earrings (available in silver or gold) and a stack of four colorful bangles, available in sizes XS–XL (they send a complimentary measurement kit filled with different-size bangles to ensure you get the perfect fit). If you're looking for something more traditional for your wedding day, Tejani also offers a cool bridal collection. \$299 per kit. —Tara Bradley
