CHICAGO, IL, Mar 21 (MARKET WIRE) -- While traditional wedding gifts such as china and coffeemakers can be fun, nothing can compare to gifts that make a wedding couple's honeymoon even more enjoyable and memorable. Brides and grooms are raving about the gifts they have received on Honeymoonwishes.com where their friends and family can choose from the couple's dream list of honeymoon experiences to give as wedding gifts, including romantic dinners and sightseeing excursions.

Engaged couples simply register with Honeymoonwishes.com, choose their honeymoon destination, and then choose which activities, outings, meals, etc. they would like to have gifted. By registering for their honeymoon, couples can get the honeymoon getaway they've always dreamed of. And Honeymoonwishes.com isn't just for wedding couples. Wedding guests love it too. Hundreds of thousands of wedding guests have enjoyed Honeymoonwishes.com for its simplicity, ease of use with shopping online, and because they know that they are buying a gift that won't be returned. The site not only allows wedding guests to view the bride's and groom's honeymoon gift wishes and purchase those gifts directly from the site, but also has a social tool allowing wedding guests to become part of this special time interacting with the couple and their destination.

Launched in 2003, Honeymoonwishes.com directly connects brides and grooms to resorts, cruise lines, and travel companies in destinations around the world. Many of Honeymoonwishes.com's gift registry options are specific to the resorts, cruise lines, and wedding venues that couples choose, making the site much more than just a cash collecting service. The items that are available have been carefully selected by Honeymoonwishes.com's team and are tastefully showcased.

Using Honeymoonwishes.com is simple. A bride can simply register for free on Honeymoonwishes.com and with the help of their significant other choose their honeymoon location from the site's list of resorts, cruises, and destinations worldwide. Once they have selected their honeymoon location, couples then choose which "honeymoon experiences and memories" they would like to have, such as snorkeling and diving excursions, hikes, tours, golfing, massages, romantic dinners, and more. Couples then send their wedding guests a link to their Honeymoonwishes.com registry where guests can make their gift purchases.
